What Club Are You In?

As part of the Active School Flag committee, we are conducting a survey to find out what clubs the children in Maree National School are a part of.

Please tell us the name of your club and the activity that you do as part of that club.

If you attend more than one club, please do let us know the names of the other clubs and activities also!

Name of the Club	Activity	How many children attend this club in your class?

Thank you for taking part in our survey! We will combine all of the information gathered to make a display for the school hall listing all of the clubs we take part in in Maree National School ☺

6th Class

Working with Local Agencies

Maree NS works with Oranmore Maree GAA to provide gaelic, camogie & hurling training to our students during the school year.

Our older classes also take part in Cumann na mBunscol games and blitzes against other schools.

Senior classes Hurling &
Camogie Blitz in
Clarinbridge on 14th June
2022. Well done to all
involved!

Children in the senior end in Maree NS took part in the FAI 5-a-side this year and had a great day! The school also luckily works alongside the coaches of Maree Oranmore FC.

Soccer Blitz for the Junior Classes

Our school held a soccer blitz for the 1st, 2nd and 3rd classes on Friday 3rd June in Maree Oranmore FC 4G pitch. Some of our 6th class students kindly managed the various teams and others acted as referees. The children had a great day of matches and the final was very entertaining! Well done to all involved & thank you to Mike Quirke & Dearbhail O Callaghan for arranging the day for us all!

Teams in action at the 5-a-side blitz!

Children in Maree NS winning medals, cups & crests in school-based and local club leagues & challenges! Great role models for all! Well done to you all on your super achievements!

The senior girls won silverware in Soccer & GAA games for their local clubs Oranmore Maree GAA & Maree Oranmore FC.

The senior boys won the Donie Greene cup for the first time ever after partaking in a blitz in Oranmore against other local schools!

Working with National Agencies

Children in the older classes took part in a Cycle Safety workshop over various days during the school year as well as a road cycle in the local area for 6th class. This was in conjunction with the Green Schools, the local Gardaí and Galway Co. Co. organised by Ms. Sinnott.

We also had engineers come to service children's bikes during National Bike Week and bicycle shelters were installed at the front of the school for our many many students who cycle to school daily!
